

National Day of Reflection
Wednesday 23rd March 2022

Marie Curie Cancer Care are organising a second day of reflection on 23rd March 2022, in an attempt to make the legacy of the pandemic - one of compassion, love, and active support for those who grieve, both now, and in the years to come.

Pyle community council will again illuminate Heathbridge Miner's Memorial in yellow on that date and, as last year, residents are invited to remember their loved ones with a memorial tag on that day.

Anyone wishing to arrange a memorial tag should contact **Mary on 07874 074205.**

Details will then be taken of the name of the deceased and any message you would like to leave.

End date for receipt of forms is Friday 18th March 2022.
